Commissioner for Patents

1. The reply filed on 05/07/2007 is not fully responsive to the prior Office Action because of the following matters: the claims were originally drawn to an insulin resistance improving agent and not a method of improving insulin resistance. The method is a patentably distinct invention from the compound and is not elected by the original presentation. Accordingly, there are no claims pending that are drawn to the elected invention. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
